

## Global Evidence Summit 2024

Welcome to the August edition of the Global Evidence Summit newsletter.

The [organising committees](#) have been busy finalising the programme, making arrangements for an exciting social programme, and working to fit in as many business meetings and pre-conference events as possible. There is now only one month to go until we meet in Prague and we have some exciting news to share with you!

### Preliminary programme now available!

The preliminary programme is now available in PDF, and the final programme will be available on our event platform from 16 August 2024. Once released, attendees will receive an email with the details on how to access the event platform allowing them to add their favourite presentations to their calendars.

The programme includes 6 plenary sessions, 2 evidence challenge sessions, 69 oral sessions (approx. 560 presentations), 60 workshops, and 25 special sessions. Click below to look at our incredible summit programme.

### Social Programme Update

Have you started planning your trip? We regret that we have had to cancel some of the summit's social events, but Prague offers numerous attractions and activities to interest you throughout your stay. We invite you to explore the ["What to do in Prague"](#) page on our website for ideas on how to make the most of your visit. Additionally, the Social Events Committee has prepared information on activities available around the conference dates at ["What's Happening Around the Conference"](#) on our website.

## Become a Part of GES 2024 by Volunteering

If you want to gain valuable experience, participate in a unique international event, meet new people, and enhance your resume, volunteer with us! Volunteers also receive complimentary registration, refreshments, and a GES t-shirt. The deadline to apply has been extended to 13 August 2024. [Visit our website](#) for more information on what positions are available and how to apply.

### Registration

Standard registration closes soon – register using the link below before 14 August to secure a spot before prices go up! Don't forget there are registration options for students, LMIC/UMIC participants, and single day attendees.
